# **1<sup>st</sup> CISM MILITARY WINTER GAMES**

## **CANDIDATURE DOSSIER**

Please add to this candidature document the following information:

### **1. Information on the Bidding Entity**

The objectives, the nature, the size, the legal status and the financial reliability of the entity are very important to CISM. Please give a summary of the relevant information concerning the Bidding Entity.

### **2. Information on the Host City**

Summarise the history of the Host City. Describe any additional support that will be given to the candidature by national, regional and local authorities and indicate the major sport events organised by the host city.

### **3. Dates of competitions**

Please specify the preferred dates of the organization of the 1<sup>st</sup> CISM Military Winter Games.

### **4. Structure of the Organising Committee**

Please indicate a draft of the structure of the Organising Committee.

### **5. Meteorological conditions**

Please specify :

- the average altitude;
- the official records of the last 5 years concerning : temperature (in °C), degree of humidity (in %), snow (in mm), number of days of rain or bad weather, average wind direction and strength, number of daylight hours, the number of days of mist and fog.
- the average level of air pollution in the city.

## **6. Security**

The Host Entity must guarantee a complete, efficient and discrete security system. Please specify briefly the measures which will be taken to ensure this aim.

## **7. Health and Medical system**

Please specify the normal local facilities (hospitals, ambulances, etc.) that are available and add the extra health and medical systems that will be put in place. Add to this information that you will stick to the appropriate CISM and WADA anti-doping regulations and where the tests will be analysed.

## **8. Accommodation sites**

Accommodation sites shall be foreseen for all the categories of attendants/participants (see Presentation and Introduction-part 1, Point 10). Please indicate the number of beds available and the venues of athletes' village/s.

## **9. Transport**

International airport: please specify the daily capacity of the international airport that will be used.

Military Airport: please specify all the necessary data concerning the nearest military airport and its daily capacity

Local transportation: please specify the transportation system which will be used for :

- VIP transportation (number of cars, busses ...);
- participating delegations;
- all others, such as athletes, officials, media, sponsors,... transportation (cars, busses, public transport, ...).

Traffic: please specify (in km and in minutes) the distances from one site to another without traffic and with the normal traffic.

## **10. Sports**

Please list the sports which will be organised out of the list given in the Bidding Document (4 mandatory, 2 optional and 2 demo). Give also an overview of the proposed competition sites (with photographs) and training venues and the capacity of spectators of each competition site. Specify the stadium for the opening and closing ceremonies. Give an overview of the National Federations and their capacity to provide technical and other assistance concerning the organisation of the sports events, as well as their sports experience.

## **11. Customs and immigration formalities**

Please provide practical information concerning:

- access to the location of the competition (nearest airport, tax regulations, etc);
- customs regulations (import and export of sports arms, ammunition, equipment, etc);
- police regulations (passport, visa, etc);
- health regulations (vaccinations, anti-AIDS test, quarantine regulations concerning horses, etc).

## **12. Opening and closing ceremonies**

Inform CISM on the possibility to organise spectacular opening and closing ceremonies. Give the measures that will be taken to organise a torch relay (from the monument of the unknown soldier to the main stadium).

## **13. Media**

Submit information on the actions that will be undertaken to have an extensive coverage of the Games by television, radio and press. Specify the functioning of the Main Press Centre and the Sports Press Centres. Give an idea of the radio- and telecommunication capacities of the City.

## **14. Data processing**

Submit an overview of the predicted data processing services and links.

## **15. Sponsoring and Marketing**

Work together with CISM.

Submit an overview of the sponsor display capacities. Certify that all stadiums that will be used are completely free from all advertisement and franchise rights so that they can be filled up with Host Entity/CISM publicity. Give your marketing plan and your detailed experience in this matter.

## **16. Financial aspects**

Submit a draft overview of the estimated costs of the Games per service, such as transport, accommodation, food, local transport, radio and telecommunications, office rental, ceremonies, medals, investments in infrastructure, etc.

Submit a draft overview on how these posts will be financed, such as City Grants, Regional Grants, National Grants, TV-rights, sponsoring, publications, ticketing, etc..

Prepare a bank guarantee of EURO 50.000,-

## **17. Organising Committee Headquarters**

Indicate the venues for the O.C. Headquarter, comprehensive of offices for CISM.

## **18. Identification sheet**

Please fill in the identification sheet (next page) and send this complete file with the additional documents to the CISM General Secretariat, 26 rue Jacques Jordaens. B-1000 Brussels, Belgium
